Conversations with A. Gordon Jones
The Biography of a BCATP Pilot Instructor

Join Anne for an inside look into how her acclaimed book, *Wings Over High River*, came to be. In addition, learn about Gordon Jones's progress through the BCATP in wartime Canada. Plus stories that did not make the book, as well!

Anne Gafiuk was an elementary school teacher who turned to freelance writing while raising her family. During her research into WWII RCAF pilots, she became very interested in vintage aircraft, the people involved with them and their history, taking her on a new flight of discovery.
