## Daffodils and Poppies - A Pilgrimage to the New International Bomber Command Center

The Bomber Command Museum of Canada (BCMC), as major contributors to the International Bomber Command Center (IBCC) in Lincoln UK, were as a museum group invited to the grand opening dedication ceremonies in April 2018. Over the week of April 10 -17 a group of Directors of BCMC, family, and friends made a special pilgrimage to England to pay their respects to the honour, excellence, and sacrifice of the RCAF in RAF Bomber Command in WW2.

Join us in our adventures in discovering our Bomber Boys history and helping to dedicate the ultimate memorial to our bomber crews
