Presents

HELP, I am Upside Down!

**Recollections of an RAF flying doc's time at the Institute
of Aviation Medicine, Farnborough in the 1950s**

Geoffrey Melvill Jones (MD, FRAeS, FRSC, FRS) served with the RAF as a Research Flying Personnel Medical Officer where his research was devoted to the uncovering and resolution of problems of Pilot Disorientation from 1950 to 1960. Dr. Melvill Jones is currently a Medical Neuroscientist currently appointed to a Research (Adjunct) Professorship at the University of Calgary.

Thursday, May 17, 2018 @ 7:00 p.m.
