Chinook Flying Service Ltd.

Trevor McTavish

Discover how Franz McTavish escaped virtual slavery on the farm to start his own flying business: Chinook Flying Service Ltd, a small but active company that led the way in getting Albertans to fly. Multimedia lecture with brand new book for sale at the meeting by the author. Not to be missed!

Trevor McTavish has been employed by WestJet for some thirteen years as an Aeronautical Engineering Technologist. He is also their skilled Maintenance Department unofficial historian. Often, he also wins international awards as a gifted scale modeller of plastic aircraft.
