Aviator with a Difference *"My Flying Career"*

Discover the incredible aviation career of our most unique distinguished speaker who flew notables and rascals, and lived in tents and villas. His motto: accept the challenges, so that you may feel the exhilaration of victory! Not to be missed, with his books on sale at the meeting too.

Chris Weicht has flown almost eighteen thousand hours in aircraft ranging from biplanes to jets, from the Arctic to South America. A sixty-year career from bush flying to corporate aviation, and now the author of fine Canadian aviation studies.
