A triumphant return to the sky

The restoration story of the world's only original Mosquito

In 2009, Victoria Air Maintenance began assembling and restoring an original de Havilland *Mosquito* combat aircraft. Follow this incredible process and see it fly for the first time since the 1940s in an amazing film. Not to be missed!

April Butler is a documentary director with her own production company. She is a creative, diverse storyteller who worked in the news broadcasting industry for major television networks, and shares a true passion for aviation.
