

# CANADIAN AVIATION HISTORICAL SOCIETY

## \*\*\* CALGARY CHAPTER \*\*\*

presents

### The Japanese Aircraft Industry 1912 – 1945

Discover the fascinating development of Japanese aviation between 1912 and 1945. Learn about Japanese procurement of foreign aviation technology and assistance, enabling Tokyo to use these edges to formulate powerful and modern air forces. A unique presentation by a distinguished speaker.

Dr. John R. Ferris is Professor of History at the University of Calgary and editor of the Journal of Military and Strategic Studies. He has published extensively on various 20th-century British and European topics, including modern air warfare and industry.
