The First Ten Years

Enjoy a lively multimedia presentation about the remarkable story of Canada's leading national carrier, WestJet, based in Calgary. Discover the first ten years of growth of an airline firm which quickly outpaced other major competitors and set its goals on dominating the skies over North America.

Trevor McTavish has been employed by WestJet for the past ten years as an Aeronautical Engineering Technologist. He is also their Maintenance Department unofficial historian. In addition, he often wins awards as a gifted scale modeller.
