1938

A CRITICAL YEAR FOR CANADA'S AVIATION INDUSTRY

Discover a multimedia analysis of the remarkable beginnings of the world's fourth largest aeronautical industry in 1945. The creation and expansion of this strategic sector allowed Canada to sustain its position as a middle power for decades, and it all started in 1938...

Stéphane Guevremont holds a B.A. in History (McGill) and a M.A. in War Studies (RMC). He has been teaching History since 1987 and is completing his doctoral studies at the U of C. He also writes newspaper articles and comments military affairs on CBC French Radio.
